WORKSHOPS

Everyone will be given an opportunity to contribute to debate under the three workshop themes of the Third Angle Partnership. We will allocate your attendance for you and try to balance a mix of partner perspectives and countries in each session.

- **Workshop A – Lessons learnt – Financing the Social Economy (Facilitated by Poland)**
- **Workshop B - Lessons learnt – Incubating Social Economy Organisations (Facilitated by Italy)**
- **Workshop C - Lessons learnt – The role of the Public Sector in facilitating the start-up and growth of social economy organisations. (Facilitated by the UK)**
